Arizona Department of Mines and Mineral Resources Mining Collection

ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

Mr Roger L G Manning
Phoenix Arizona

Dear Sir

The Blank I filled out for
Mrs Guyrup, there is a mistake
as should be the Owner is my-
self Mrs F E Newbould as it
was created by my Brother
in Law & he did Location Work
now I had it exempted for 1947
In my name all the other about
Data is all right thought better
fix it right away.

Thanking you in
Advance

Mrs J D Newbould

Mr Manning
Phoenix

Dear Sir

I thank you for returning the map, and for sending in a map to Mineral Resources, and glad we found out about the sample you taken, for don't suppose it amounts to very much.

now I am sending you the Blank's I filled out for my Daughter's

2
Blain's. I just Received
them, will do best I
can. You had a map and
quite a lot of Data on
the 2 Blain's. They
were taken over by her
but within the last 4
years I look after them
for her, and you might
list them in her name
Mrs Major's Survey

6/5 - Bancroft St

Kellie

ps

Thanking you for
Everything. Yr's truly
Mrs J D Newbould

R.S

I lost your letter now
just sending to your office

Thanking you again,

In advance, for having
these claims listed for her
(Mrs Guyon) is my daughter
Should I see you on your
next trip to Globe Wisco.
explain more about
them.

Mrs J D Newton
