Arizona Department of Mines and Mineral Resources Mining Collection

## **ACCESS STATEMENT**

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

## **CONSTRAINTS STATEMENT**

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

## **QUALITY STATEMENT**

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

BARBAROSSA PLACERS

GILA COUNTY

KAP WR 2/12/88: Frank Lynn and Tom Vanslambrouck, P O Box 2325, Mesa, Arizona 85205 have located a large group of placer claims in the Dripping Springs was area of Gila County on areas covering the historic Barbarossa Placers. The claims were lcoated last year and the owners have started testing and a literature search. The Barbarossa Placers have reportedly produced a 22+ troy ounce nugget in the 1920's. The new claims are the Barbarossa A through Barbarossa Z and the Barbarossa 1 through 10. The area is listed as Gila MILS 31.
