Arizona Department of Mines and Mineral Resources Mining Collection

ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

MILS #784

BOOMER CLAIMS

YUMA COUNTY

NJN 1/26/83: BOOMER Claims owned by Pathfinder Mines. They are located in T11N R11W Sec. 17, 18, 20, 21, 26, 27, 28, 29, 30, 32, 34, and 35. There are 270 claims. Case of property entry appears to be in Sections 28 and 29 and this was the area of dispute in the court case. See The Public Land and Resources Law Digest, 1981, no. 1, page 127, the case of Geomet Exploration Ltd. v. Lucky Mc Uranium Corp. Lucky Mc is now Pathfinder Mines.

NJN WR 1/21/83: With help from CLiff Hicks of the Tucson office, traced down the uranium property that was the subject of the Arizona Supreme Court decision, Geomet VS Lucky Mc. The property is in the Date Creek Basin of the Artillery Peak Range, in Yuma County. The property is now mostly held by Pathfinder mines, previously known as Lucky Mc. A new file, the Boomer Claims, now contains the **pertinent data** and references on the property.
