## **ACCESS STATEMENT**

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

## **CONSTRAINTS STATEMENT**

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

## **QUALITY STATEMENT**

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

KELLY # 1

LA PAZ COUNTY

KAP WR 10/25/85: Gordon L. Forslund, 53163 Riverview Drive, La Pine, Oregon 97739, phone (503) 536-2300 requested help in determining the legal status of his Kelly #1 claim in the NE Sec 2, T9N R15W. He had recently been notified that someone else had been doing work on his claims and that the ground was State Trust Lands. His claims were Federal, filed with the county recorder and the BLM. State prospecting permits and leases were explained. A cursory check by phone with the State Land Department indicated the entire section was held by a prospecting permit in the name of Phelps Dodge. It was explained that he likely had no rights and should contact the Land Department to determine when the prospecting permit would expire. Further, if he was interested in the property he should keep close track of the permit's annual expirations dates. It was recommended he obtain a copy of Laws and Regs and read the States Land section.

Mr. Gordon L. Forslund  
53163 Riverview Drive  
La Pine, Oregon 97739

Dear Mr. Forslund:

Thank you for the copy of your affidavit of assessment work for the Kelly #1 Lode Claim. We will include it in our mine files.

I am concerned, however, that you may be under the impression that sending a copy to us meets the requirements for filing. This is not the case. The affidavit must be recorded at the Recorder's Office in Yuma and a copy, showing the Book and Page No's., must be filed with the Bureau of Land Management, 2400 Valley Center, Phoenix, Az. 85073. If you have not done this I suggest you do it as soon as possible since it must be done by December 30.

In addition, the current regulations require that the Bureau of Land Management Serial Number (AMC No.) assigned to the claim at the time of initial filing must appear on the affidavit or must accompany it.

If we can be of further assistance please contact us again.

Sincerely,

Richard R. Beard  
Mineral Resources Specialist
