Arizona Department of Mines and Mineral Resources Mining Collection

ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

LOST MINE &
EXTENSION
Formerly - "EXCELSOR"

YAVAPAI COUNTY

This property inactive.

MARK GEMMILL

Mr. Felippi reported that he owned 3 unpatented mining claims in the National Forest in the Hassayampa Dist., about 12 miles south of Prescott, which he located in 1950. - ALJ - ASMOA mtg - 12-19-57.

DEPARTMENT OF MINERAL RESOURCES
STATE OF ARIZONA
OWNERS MINE REPORT

ML-45

Date November 30, 1940

1. Mine Lost Mine and Extension
2. Mining District & County Hassayampa
3. Former name Excelsor
4. Location Prescott
5. Owner Chas. L. Felippi and Richard P. Brooks
6. Address (Owner) Chas. L. Felippi
327 S. Pleasant, Prescott, Arizona
7. Operator Chas. L. Felippi, P. Brooks
8. Address (Operator)
9. President
10. Gen. Mgr.
11. Mine Supt.
12. Mill Supt.
13. Principal Metals Gold, Silver
14. Men Employed
15. Production Rate 2 tons per 8 hrs. by hand.
16. Mill: Type & Cap.
17. Power: Amt. & Type None. Windlass and Tunnel
18. Operations: Present One shaft 90 ft. and one tunnel 200 ft.
19. Operations Planned Unwatering shaft.
20. Number Claims, Title, etc. 2 claims end and end.
21. Description: Topography & Geography Elevation about 8 hundred ft. high from floor of tunnel to top of mountain. The claims are in high steep mountains about 8 miles from Prescott in a southerly direction about 1/2 mile from Gold Basis mine and well below head waters of Groom Creek.
22. Mine Workings: Amt. & Condition 90 ft. shaft, 200 ft. tunnel. Tunnel caved at present. Ore conditions in tunnel from 3 to 4 ft., shaft ore 2 to 4 ft. if the shaft was unwatered it would expose 2 to 4 ft. of ore for 90 ft. Bottom of shaft all in mineralized zone 4 ft. wide 6 ft. long.

(over)

23. Geology & Mineralization The walls consist of decomposed g. lite hanging and dirite foot wall. Character of ore in shaft oxide and sulphides, faulting and vein is what most engineers call a true fissure vein.

24. Ore: Positive & Probable, Ore Dumps, Tailings No dump of ore or tailings available. If a man had equipment to work and carry on in this property he could take out about 10 tons in 8 hrs. 2 men work, average assay across vein 2 to 4 ft. \$10.00.

24-A Vein Width, Length, Value, etc.

25. Mine, Mill Equipment & Flow Sheet This property has no equipment or mill. It is a small prospect.

26. Road Conditions, Route Road conditions very good about 8 miles on Senator highway in a southerly direction from Prescott, Arizona.

27. Water Supply For mining purposes I think can be had from shaft.

28. Brief History This property has a very good history as to development and make a very good paying mine and with a small amount of capital.

29. Special Problems, Reports Filed This property is free of lien and debts. Have no engineer reports or maps.

30. Remarks This property could be worked and made pay with a small, will say about 10 ton mill: But it would take about \$5000.00 for more development work to have sufficient ore to work on for about 10 years.

31. If property for sale: Price, terms and address to negotiate. These two mining claims notes as the Lost Mine and Lost Mine Extension have a fixed price. By Chas. L. Felippi and Richard P. Brooks, \$10,000. Will state terms if interested about property.

32. Signed..... Chas. L. Felippi
327 South Pleasant St.

33. Use additional sheets if necessary. Prescott, Arizona
