ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

Dear Mr. Short:

Your request for mining activity on your Phonolite Lode, AMC 97726, located in Township 10 North, Range 7 West, Section 1, NE, was referred to this office for action. The entire N $\frac{1}{2}$ of this section, lots 1 thru 5, is a split estate with the State of Arizona being granted patent for the surface estate and the Federal government reserving the mineral estate. This action is serialized S. X. 1109614, granted November 16, 1940. This exchange was made under the Taylor Grazing Act of June 28, 1934. Copy of the pertinent part of this Act is enclosed.

Before any activity is initiated, the State of Arizona Land Department must be notified and their stipulations acknowledged by you. Their address is Land Department, State of Arizona, 1624 West Adams Street, Phoenix, 85007. Indicate AMC number, Township 10 North, Range 7 West, Section 1, NE, and S.X. 1109614, as of November 16, 1940. This information will help expedite your request.

If you have any further questions, feel free to call our Area Geologist, Richard Park, at 602-241-2947.

Sincerely,

Marvin D. Durfee
