## **ACCESS STATEMENT**

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

## **CONSTRAINTS STATEMENT**

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

## **QUALITY STATEMENT**

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

PHOENIX, ARIZONA

February 24, 1958

To the Owner or Operator of the Arizona Mining Property named below:

RALPH HOLTON ESTATE	COPPER LEAD SILVER
(Property)	(ore)

We have an old listing of the above property which we would like to have brought up to date.

Please fill out the enclosed Mine Owner's Report form with as complete detail as possible and attach copies of reports, maps, assay returns, shipment returns or other data which you have not sent us before and which might interest a prospective buyer in looking at the property.

*Frank P. Knight*

FRANK P. KNIGHT,  
Director.

Enc: Mine Owner's Report

26 DECEMBER 1939

M E M O R A N D U M

TO NEWTON WOLCOTT:

Mr. E. C. SNELL, Administrator, Box 423, Superior, Arizona, would like to have you make an Engineers Report on the RALPH HOLTON ESTATE Mine in the Pioneer District.

I am enclosing herewith a Mine Owners Report covering this property.

When you send the report in will you please send me three copies instead of two. Thanks, I knew you would be delighted.

Mr. Snell would like to have you advise him two or three days in advance of the inspection of this property so that he can arrange to go with you and render any assistance possible.

He also says that if there is any assistance he can render regarding other property in that vicinity, he shall be very glad to do so.

W. J. GRAHAM, Assistant to the Director

jrf

P. S.

I am sending you a BUNCH of Mine Owner Report copies for your use and INSPECTION under separate cover. I think of the nicest THINGS, don't I?
