## **ACCESS STATEMENT**

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

## **CONSTRAINTS STATEMENT**

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

## **QUALITY STATEMENT**

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

DEPT. OF THE INTERIOR  
BUREAU OF LANDS  
FEB 2 1943  
PHOENIX, ARIZONA

Phoenix Ariz  
Jan. 30 - 43

Mr. Charles F. Willis:

Dear Sir:

This is to notify you that I have lost the manganese property that I had listed with you. I want to thank you so much for the interest you have shown.

I have a zinc claim near this other mine. It runs 43 070 but there has been no improvements as yet -

Thanking you again  
Mr. John N. Kelley  
RT 1 Box 484

Phoenix Ariz.

3 February 1942

Mr. John H. Kelley,  
Rt. 1 Box 484,  
Phoenix, Arizona.

My dear Mr. Kelley:

I thank you for your letter of January 30 in which you advise that you are no longer interested in the REDFOX MINE in Cochise County. There are two other owners of this property - Walter Griffen and L. E. B. Kelley, and I shall appreciate your advising me if they still retain their interest in the property. If so, I should like to have their addresses.

I am enclosing herewith a blank mine owner's report, which I should suggest that you fill out in detail and return as early as possible so that information may be available concerning your ZINC CLAIM. Upon receipt of this report, I shall be glad to submit it to anyone making inquiry for a property such as yours.

Assuring you of my desire to be helpful, and with best wishes, I am

Yours very truly,

Charles F. Willis  
Chairman, Board of Governors
