A copy of the 1980 Affidavit of Labor for the Red Top, Red Top Extension, Red Top Extension #1 and Red Top Extension #2 was received. The affidavit shows Gold Road Red Top Mining Company, 2283 Orchard Place, Collins, New York 14034, as the owner and USSRAM Exploration Company as the lease and option holder. USSRAM is a contraction of United States Smelting, Refining and Mining Company which is also UV Industries. Sharon Steel Corporation, 19th Floor, University Club Building, 136 E. South Temple, Salt Lake City, Utah 84111, phone (801) 355-3501, is also listed as the lease option holder through their reported acquisition of UV Industries. Assessment work is listed as access road construction and reported to have been done by G. R. Haynes of Kingman.

COUNTY OF SALT LAKE )

W. R. KASTELIC, being first duly sworn, deposes and says that he is a citizen of the United States and more than twenty-one years of age, and resides in Salt Lake City, Salt Lake County, State of Utah; that he is the Vice President of Mining Operations for Sharon Steel Corporation, organized and existing under the laws of the State of Pennsylvania and qualified to own property and do business in Mohave County, State of Arizona, and he makes this affidavit for said corporation.

That Sharon Steel Corporation holds under a lease from Gold Road Red Top Mining Company, owner, the following named unpatented lode mining claims situated in San Francisco Mining District, Mohave County, State of Arizona, known as:

San Francisco Dist

Name of Claim	Sec.	Tws.	Rng.	Certificate of Location Recorded at		BLM Serial Number
				Book	Page	
Red Top	13	19N	20W	Q	8	A-MC 35951
Red Top Extension	13	19N	20W	AA	292	A-MC 35952
Red Top Extension No. 1	13	19N	20W	C-3	407	A-MC 35953
Red Top Extension No. 2	13	19N	20W	EE	186	A-MC 35954

That said Lease requires Sharon Steel Corporation to do and perform assessment work in or for the benefit of said mining claims and is authorized by Owner of said claims to make and file Affidavits of Annual Labor in behalf of said Owner.

That between July 1, 1980 and August 10, 1980, approximately four (4) miles of access road reconstruction work was performed in the area of the Red Top - Gold Road Project, at a total cost in excess of Six Hundred Fifty Dollars (\$650.00); said work and improvements were performed by G. R. Haynes of Kingman, Arizona, at the expense of said Sharon Steel Corporation, for the purpose of complying with the laws of the United States pertaining to annual assessment work.

That said claims constitute a contiguous group of mining claims owned in common by said Owner, and that such work and improvements were done and performed as a part of a general plan of development and tend to improve and develop each and all of said unpatented mining claims. The amount expended for and value of said labor and improvements is not less than One Hundred Dollars (\$100.00) for each of the mining claims comprising said contiguous group. The said expenditure was made in good faith for the purpose of developing said contiguous group of mining claims and was intended as annual labor and improvements for each and all of the above named and described unpatented lode mining claims.
