

Notes

1. Drill holes indicated 'x' are Western Nuclear
2. Hole locations by pacing & Brunton. Accuracy suspect in this terrain.
3. Holes SV25, SV26 not on plan by Western Nuclear, so doubly suspect as to location.
4. Mine located in Sec 6, T38N, R 6E Coconino Co., Arizona.
5. Underground workings by Brunton's tape.
6. Mine located on Sun 2 claim
