AV. without **Item X** - 16.31
 AV with **Item X** -> 20.95

Sketch Map
 Sunrise Mine
 Approximate Section
 through
 Plane of Vein
 Scale: 1/16" = 20ft.

To Accompany Reports by:
 Harold L. Phelps, E. M.
 Registered Professional Engineer,
 Dec. 1938 Prescott Ariz.

Note:-
 The Workings as shown are only approximately correct and not based on actual survey and complete measurements.
 The 310ft. Level equals Approx. 200ft. below the Collar of the Shaft.

PRELIMINARY REPORT.

Sample No.	Level	Distance from Shaft East	Distance from Shaft West	Description	Sample Width	oz. Gold	oz. Silver	Value Au. & Ag.	Au. & Ag. @ 0.50
