

optimistically andesite - diorite cover would not necessarily be universally and totally masking everywhere???????

(Page 13)

1st sentence last ~~paragraph~~ paragraph
Amazingly true!!!!

How thick is andesite - diorite?????? (1,000' - 2000'?)

(Page 15)

Check 2nd paragraph, could be very important.

Last paragraph true.

(Page 17)

Check last paragraph. "NO handmag" is a rather drastic statement.

(A - A)

Important to check this one carefully

(D - D1)

How about major high????
