## **ACCESS STATEMENT**

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

## **CONSTRAINTS STATEMENT**

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

## **QUALITY STATEMENT**

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

Mr John Jett

Dear Sir.

you was recommended to me to advise me or give a  
lead on someone that would advise or represent  
Ariz small miners.i am sending you a map showing the  
patented land and unpatented placer claims me and my  
son owns.Jimmy Doan.all along Big Bug creek.  
i wanted to patent the unpatented claims  
between the two tracts of patented land.but the BLM  
is not very helpfull.if ypu dont have so much money  
you dont need to be mining.i would like to know if  
i can patent a mill site on the north end of  
Standard placer mine claim.on a pircle of unpatented  
land. the place i have in mind will not have mineral.  
we are not allowed a cabin or anything for someone  
to night watch the Equipment.  
if i can patent a mill site.i can makeout.  
tho i would like to patente all the unpatented  
claim. please advise me if you can.and send a statement  
how much i owe you.  
i am sending money to return the map .  
the black and red dots indicates the patented land.  
Sincerely Yours
