Arizona Department of Mines and Mineral Resources Mining Collection

ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

TUFA PLAIN MINE (file)

COCHISE COUNTY

By Ken Phillips, Chief Engineer, August 22, 2003

On August 21, 2003 I spoke with Charles Chammers. He reported that he has purchased the Tufa Plain Mining Or Stone Quarry Claim, Mineral Survey 1669, a patented placer claim in Cochise County.

His address and phone number is:

Charles Chammers
PO Box R
Bisbee, Arizona 85603

Phone 520-432-2912

He explained that he acquired the property and mineral rights with the idea of developing a decorative stone quarry.
