Arizona Department of Mines and Mineral Resources Mining Collection

ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

TURTLE MINE

Yavapai County
Black Rock District

Section 31, T9N, R3W

JHJ Memo 6/19/80: Information from Mr. William R. Glore - in our office. Arivada Gold Mining, Milling and Refining Co. Ltd, Box 48, Green Valley Station, Saugus, California 91350, telephone (805) 270-1048.

Mines -- P.O. Box 2471, Wickenburg, Arizona 85358.

Mr. Glore has leased the Camp B Group and the Turtle Mine.

The Turtle orebody was a lenticular line. They are having problems locating another line.

NJN WR 4/16/82: Mr. Glare, owner of the Turtle Mine, Yavapai County reported that a Canadian firm is making an examination of his property. He also reported he has formed a new company, American Strategic Metals, Inc.Ltd. at Wickenburg, Arizona.

NJN WR 8/19/83: Gordon Borck, 2821 W. Vista, Phoenix, 85021, reported he and another fellow are examining the Turtle Mine, Yavapai County. If the results are favorable they would buy it from Bill Glore.

OF THE CLAIM OF
W. R. GLORE

KNOWN AS THE

INFIDEL
lode

IV Black Rock MINING DISTRICT,
Yavapai COUNTY, Arizona
Containing an Area of _____ Acres.
Scale of 200 Feet to the inch.
Variation 14° 45' E.
SURVEYED November 14 - 17 1939 BY
Edgar S. Dorman
Mineral Surveyor,
G.L.O.

The Original Field Notes of the Survey of the Mining Claim from which this plat has been made under my direction, have been examined and approved, and are on file in this Office, and I hereby certify that they furnish such an accurate description of said Mining Claim as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended on improvements made upon, or for the benefit of each location embraced in said mining claim by claimant

or his grantors and
that said improvements consist of 1 shaft and 2
tunnels, total value \$1800,

that the location of said improvements is correctly shown upon this plat, and that no portion of or interest in said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
