Arizona Department of Mines and Mineral Resources Mining Collection

ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

2810
Mining Claims - Prescott
Wanda #3
Bryant, Paul
W. H. Kirkpatrick Estate

Preliminary Report on Mining Claim

1. Name of Claim

o Wanda #3

2. Location

The survey made in 1962 places this claim in the SE $\frac{1}{4}$ NE $\frac{1}{4}$ Section 26, T 12N, R 2 W, G&SRB. Located on aerial photo overlay ECE-11-34.

3. Owner and Address

o Paul Bryant
847 Lincoln
Prescott, Arizona

4. Date owner acquired claim and how acquired

The claim was located on August 25, 1951 by Mr. Bryant and Mr. Kirkpatrick and was recorded in the Yavapai County Courthouse in Book 159, page 82 on August 27, 1951. The late Mr. Kirkpatrick's heirs are living in the State of Washington according to Mr. Bryant.

5. Improvements

- (a) Cabin 12'x21' made of lumber and tin. No value.
- (b) Barn 12'x21' made of lumber and tin. No value.
- (c) Shed 12'x12' made of lumber and tin. No value.
- (d) Shed 9'x12' made of lumber and tin. No value.
- (e) Dug well. Dry.

6. Mining Improvements

- (a) Discovery pit 20'x25'x15' deep. No recent work
- (b) Caved tunnel. This tunnel is completely caved in and is located just below the discovery pit.

- (c) Trench 10'x300'x3'. This excavation starts from the discovery pit and goes down the hill.
- (d) Trench 15'x50'x5'.
- (e) Shaft 5'x7'x7' caved. The area surrounding this shaft has been out and leveled.
- (f) Shaft 3'x5'x25'. This shaft has water at the bottom of it.

7. How claim is being used

Mr. Bryant claims to be holding it for mining purposes.

8. Financial status and occupation of claimant

Paul Bryant is employed by the Miller Valley Builders Supply at 609 Division Street, Prescott, Arizona.

9. Other Pertinent data on claimant

Mr. Bryant is 50 years old and in good health.

10. General

Mr. Bryant stated that he was a miner for 19½ years and that his only interest in the Wanda #3 is for mining purposes. Mr. Bryant plans to acquire ownership of the entire claim when it is determined which of the Kirkpatrick heirs is heir to half of the claim.

The cabin on this claim is of a very substandard nature and is being used by vagrants, hunters and others for purposes other than mining. The claim is not being mined. The photographs of the improvements will bear out the fact that the cabin and sheds are located in a hazardous chaparral fuel type. Use of this claim threatens to hinder National Forest protection. It is a definite fire hazard.

11. Attachments

- (a) Photographs of improvements
- (b) Maps showing location of claim
- (c) Request for Mineral Examination (Form 2800-9)

Aerial photo overlay is on file in the District Office.
