Arizona Department of Mines and Mineral Resources Mining Collection

## **ACCESS STATEMENT**

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

## **CONSTRAINTS STATEMENT**

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

## **QUALITY STATEMENT**

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

Gentlemen:

Would you be kind enough to mail me 5 copies of the notice and Law regarding "Intention to hold mining claims without assessment work."

We have several claims that we would like to record under this law and would appreciate receiving them at your earliest convenience.

I am enclosing a stamped envelope for your use, and if there is any additional charge for the notices I will gladly send it on to you.

Very truly yours,

WHITE PEAK MINES, INC.

WHITE PEAK MINE

MARICOPA COUNTY

NJN WR 8/27/82: Lenn Pritchard with Seven Cities Mining Company visited. Seven Cities is looking at the Clementine and White Peak Mines, both in Maricopa County. They believe the same gold mineralization may exist on these properties as that at the adjacent Mystic Mine and want to look for it.
