ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

Mary Elsie Murley.
Gen Del Prescott, Ariz.

Dept. of Mineral Resources

Phoenix Ariz.

Dear Mr. Coupal: Today, I rec'd

a letter from you addressed to
Miami Ariz. P.O. Box 1082.

Mr. Coupal, ten days ago I sent
you my change of address to be
placed on file there.

Would you please do this now.
In reading your copy sent me I
find the error in No. 27 "Water for
(sale) could be developed on place.

This is a very grave error as
to description.

Will you please check your files &
see that the following statement
is made.

Water for same could be developed
on place due to heavy summer
rains in area.

Thanking you I am
Sincerely

Mrs. Mary Elsie Murley

Mrs. Mary Elsie Murley
General Delivery
Prescott, Arizona

Dear Mrs. Murley:

Many thanks for your letter of September 8,
and I am making note of the change in address so as
to be sure that the correction was made.

I also wish to thank you for the error in
the mine owner's report and will see that the error
is corrected - particularly in item No. 27.

With best wishes and kindest regards, I am

Very truly yours,

J. S. Coupal,
Director
