ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

Mr. & Mrs. Walter Russel
1420 253rd Street
Harbor City, California

Dear Mr. & Mrs. Russel:

Pacific Regional Operations, Inc., would like to conduct a preliminary geological investigation of your mining property in the Wallapai District, Mohave County, Arizona.

If this proposal is agreeable to you, please so indicate by signing the enclosed Affidavit of Ingress and Egress which enables our geological staff to enter the property for the preliminary evaluation. No further action will be initiated by Pacific Regional Operations, Inc., until we have received the executed Affidavit of Ingress and Egress.

If, at the conclusion of our preliminary evaluation, we determine that commercial quantities of ore could possibly be found on your property, as a result of future intensified exploration, we may be interested in purchasing or leasing the property.

Should you have any questions or comments please write to the above address.

Sincerely,

William Vanderwall
Geologist
