Dear Doug:

Enclosed is a copy of the letter sent to the partners of the Senator Mining Company requesting additional capital to do the assessment work on the property known as the Senator Mining Company Property. If the money is forthcoming, we will be able to complete the assessment work prior to the September 1, 1983 deadline of the BLM. I should have a response back from all of the partners within a two week period of time.

Dear Roger:

This letter is to give you notice that the Senator Mining Company must perform One Hundred Dollars (\$100.00) worth of assessment work on each of the claims that it has in the Bradshaw Mountains in order to retain ownership of these mining claims.

Section 7, paragraph G of the option agreement with Alex states that this work will be accomplished by July 30, 1983. However, the actual time needed by the BLM deadline is September 1, 1983 for the work to be accomplished for this year. Also, in section 8, paragraph D it is stated that if we default on any of the claims, we must return all of the property including the additional claims to Alex.

Therefore, as Operational Manager for the Senator Mining Partnership, I request a cash contribution to the Partnership in the amount of Ten Thousand Dollars (\$10,000) as outlined in the Partnership Agreement, section 7, paragraph B, subparagraph 3.

If the money is not forthcoming and the assessment work is not completed prior to September 1, 1983, the Senator Mining Company will be terminated as a partnership because its total value as an entity will be gone with the loss of the mining claims.

Alex Prohoroff will be notified of this notice having been sent to the Partnership, and if the money is forthcoming, the assessment work will be completed in time for filing with the BLM and recordation within the County.

Sincerely,

Roger A. Van Camp

*Payment includes \$2,500 due plus a portion of deficit incurred by reduced monthly amount.

Do not consider these negotiations in any manner to detract or lessen the other obligations as stated in the March 6, 1981 Agreement, an extension, reason to delay payments, nor as a cure to the existing default. You shall remain in default until an Amendment is signed by both parties.

RE: Default Cure
 Apache Mining Claims

Gentlemen:

In consideration of your financial situation, the cancellation of our offer to delay default, dated 6/2/82, due to non-performance, and the issuance of the formal default, dated 6/23/82, we are offering the following as a cure to the default:

Amounts due and payable on or before:

	5/16/82	1,000	
	6/16/82	1,000	
	7/16/82	<u>1,000</u>

Apr 16			2,500
May 16			2,500
Jun 16			6,500 ←
July 16, 1983			2,500 each month

thereafter according to the agreements.

Mr. Prohoroff's status has changed necessitating the above payment schedule. This will lessen your cash flow and hopefully allow adequate time and funds to develop the property.

We are in hopes this concession, even though less than that offered 6/2/82, will be acceptable.

Again, please do not consider these negotiations in any manner to detract or lessen the other obligations as stated in the March 6, 1981, Agreement and the Promissory Note dated March 16th, 1982, nor as an extension nor reason to delay payments, nor as a cure to the

existing default. An ammendment must be prepared and signed by both parties. A check drawn to the amount of \$3,000.00 must be received by Mr. Alex Prohoroff on or before July 5, 1982.

You will be responsible for all legal and attorney's fees in connection with the revision and/or ammendment to the Agreement and Promissory Note.

Please be aware, the 1981-1982 Affidavit of Labor is due. Either prepare and file the document now, or forward the necessary information to me for filing.

RE: NOTICE OF DEFAULT
Apache Mining Claims

Gentlemen:

Due to your failure to honor the terms and conditions set forth in our 6/1/82 meeting, we must now, with regret, issue this formal notice of default in accordance to the "Option to Acquire Mining Claims", dated 3/6/81, and the "Promissory Note", dated 3/16/82.

You have 30 days in which to cure the default of non-payment. This will require the issuance of \$5000.00 to Mr. Alex Prohoroff, which will bring the account current through June 16, 1982.

If perhaps there is no recourse nor a cure to the default possible, please comply with the following:

- Deliver a quit claim deed covering Apache #1 through #8
- Deliver a quit claim deed covering all new claims staked within the 3 mile perimeter.
- Deliver a letter to the BLM stating your relinquishment of Apache #1 through #8 and assignment of those new claims.
- Deliver location notices and map of new claims
- Deliver any data generated by you for, in and on behalf of the mining claims, including maps, assays, geochemical results, leaching and other results, drilling logs and geological data, etc..

Regretfully yours,

 RE: Apache Claims

Gentlemen:

As a result of our 6/1/82 meeting, it was agreed Mr. Alex Prohoroff shall not place the Apache Mining Claims in default at this time for non-payment of the May and June 1982 installments due according to that certain Promissory Note dated March 16, 1982 and the Option to Acquire Mining Claims, dated March 6th, 1981.

He will, however, accept minimum payments of the following amounts:

5/1/82	\$500	5/1/83	\$2500
6/1/82	500	6/1/83	2500 plus 5000
	<u>1000</u>	7/1/83	2500
(Due on or before 6/20/82		8/1/83	2500
7/1/82	500	9/1/83	2500 plus 5000
8/1/82	500	10/1/83	2500
9/1/82	500	11/1/83	2500
10/1/82	750	12/1/83	2500 plus 250
11/1/82	750	1/1/84	2500 each month
12/1/82	750		thereafter according to the
1/1/83	2500		contracts
2/1/83	2500		
3/1/83	2500 plus 5000		
4/1/83	2500		

The above acceptance of minimal payments in no manner excuses the total amount of \$2500 due each month. The unpaid balance of which shall be paid as above listed on the dates indicated.

Mr. Prohoroff wishes the mining venture to be a success and in consideration of the request made by Senator Mining Company, is sacrificing his monthly income to assist in making such success possible.

Please do not consider these negotiations in any manner to detract or lessen the other obligations as stated in the March 6, 1981, Agreement and the March 16th, 1982 Promissory Note, nor as an extension nor reason to delay payments.
