Re: Abandonment Documents
A MC #56578-79

Att: Lois Carneal:

Thank you for your October 30th letter advising therein that the department is unable to process the abandonment of the two referenced claims because Messrs William Broyles and Robert Barbero are also shown as owners of the referred to claims.

The writer is not an Agent for either of the two gentlemen mentioned, therefor can not act for them as regards the abandonment. Mr. Owens has carried the expense of the annual assessment work on his shoulders for at least the past four years.

If an Affidavit of Labor is not filed with the BLM before the December 30th deadline, nor a Letter of Intent filed by the same date, I would suspect the Bureau would have to proceed along its normal channels for abandonment.

I thank you for your letter of advisement.

Sincerely,

SUBJECT: Abandonment Documents

Sir: We are in receipt of subject abandonment documents for the following lode mining claims:

<u>Claim Name</u>	<u>A MC Serial Number</u>
Rapid Transit No. 1	56578
Rapid Transit No. 2	56579
San Pablo	40035
Dos Hermanos	40036
El Rico	40037
La Hermosa	40038
Herrera	40039
Discovery No. 1	40040
San Pedro	40041
Juarez	40042
San Diego	40043
San Juan	40044

We are unable to process the abandonment for the Rapid Transit No. 1 and No. 2, A MC 56578 and 56579 as our record has Mr. William Broyles and Mr. Robert Barbero as owners in addition to Mr. Sherwood Owens. To close these two claims, the abandonment document must be signed by Mr. Broyles and Mr. Barbero unless you are acting as agent for all owners. If so, please let us know as we can then process the abandonment.

Mr. Owens is shown on our record as sole owner of all other claims shown above (A MC 40035 - 40044) and we have closed them according to your instructions.

Please let us know if we can be of further assistance.
