ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

January 6, 1971

Mr. Darrol Johnson
5601 Stringtown Rd.
Evansville, Indiana 47711

Dear Mr. Johnson:

This is to confirm our telephone conversation of Jan. 6 regarding the Cochise claims near Bisbee.

As I indicated to you, Essex International, Inc. is currently involved in a mine development program and would be interested in investigating these claims further. We are familiar with Mr. Muheim and plan to contact him regarding the Cochise and other claims in which he has an interest.

It would be appreciated if you would forward to us any information that you may have regarding these claims or other claims that you have in the Southwest. Please forward them to my attention at the following address:

Essex International, Inc.
1704 West Grant Road
Tucson, Arizona 85705

It was a pleasure reviewing this with you, and I shall be in touch with you after we have had an opportunity to discuss it with Mr. Muheim.

Very truly yours,

ESSEX INTERNATIONAL, INC.

Howard Lanier, General Manager
Copper Operations

As per our telephone conversation I am forwarding the enclosed press release which refers to the Chase Manhattan Bank as the administrator for Shattuck Trust. Our local inquiry reveals that the contact should be made as follows:

Lemuel Shattuck Estate
c/o Chase Manhattan Bank
M. Flaherty
35th Floor
Chase Manhattan Plaza
New York, ,N.Y. 10015

We have other contacts in the area, such as the Muheim claims, which we intend to pursue. The Muheim claims are adjacent to the Lavender pit and the Cochise claims.

I would appreciate your arranging for Peat Marwick to contact Chase Manhattan regarding the contacts of these claims. Personally, I believe the approach should be soft-toned, indicating our general interest in the area.

FILE MEMO

COCHISE CLAIMS - BISBEE AREA

Contacted Curtis Callan, Vice President, Chase Manhattan Bank, Manager of Close Corporate Review, January 12, 1971. His address and telephone number are as follows:

Mr. Curtis Callan, Vice Pres.
Chase Manhattan Bank
1 Chase Manhattan Plaza
New York, N.Y. 10015
Phone: (212) 552-3395

I advised Mr. Callan of our interest in the Cochise Claims, and indicated that we had been in contact with Mr. Muheim. He recommended that we continue working with Muheim. I advised him that I would have Paul Eimon contact Don Senis, geologist for Chase Manhattan, regarding information that he may have that could be provided for our examination. Senis's telephone number is: (212) 552-7548.

Chase Manhattan handles the Lemuel Shattuck trust, which has an undivided half interest in the Cochise claims. There are three beneficiaries, one of whom is Ann Shattuck Johnson, who married Darrol Johnson of Evansville, Indiana.

New York, N.Y. 10015

Dear Mr. Callan:

This is to confirm my telephone conversation with you of January 12, 1971 in which I expressed an interest in the Cochise claims in the Bisbee area.

As I reported to you, we have been in contact with Mr. Muhelm and expect to be talking with him again later this month. At that time I shall advise him of our conversation. In the interim I shall have our Manager of Exploration, Mr. Paul Eimon, contact Don Senis regarding any geological information that Mr. Senis may have available for our review.

Very truly yours,

ESSEX INTERNATIONAL, INC.

In Re: Lemuel Shattuck Trust

Dear Mr. Maher:

Enclosed is the original letter dated January 6, 1971, from Essex International, Inc., addressed to Mr. Darrol Johnson regarding the Cochise claims in the Lemuel Shattuck Trust.

Please contact Mr. Howard Lanier, General Manager of Copper Operations upon receipt of this letter and explore the possibilities of developing Cochise claims.

Sincerely yours,

Claude Bates
