ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

AGREEMENT

THIS AGREEMENT is made and entered into this _____ day of April, 1959, by and between REYNALDO BIANES and THOMAS BIANES, hereinafter referred to as First Parties, and ALF B. CLARIDOR, hereinafter referred to as Second Party.

WITNESSETH:

WHEREAS, the First Parties are the owners of certain unpatented mining locations in the Copper Mountain Area, County of Greenlee, State of Arizona, identified as follows:

<u>Name</u>	<u>Date</u>	<u>Recording Data</u> <u>Book of Mine</u> <u>Locations</u>	<u>Page</u>
Guerno	1/20/1899	4	128
Grand Cross	9/13/1899	4	260
Guadalupe	8/29/1899	4	256
Champion	8/24/1899	4	253
Rattle Snake	8/23/1899	4	251
Corona No. 1	2/17/1905	6	458
Corona No. 2	2/17/1905	6	459
Corona No. 3	2/17/1905	6	460

and,

WHEREAS, the Second Party has agreed to do certain assessment work, as required by law, in connection with the above described mining claims;

NOW, THEREFORE, in consideration of the mutual promises herein contained, it is hereby agreed as follows:

1. Second party shall do all assessment work on the above mining claims as is required by law in order to keep said claims in good standing.

2. All net proceeds received from or on account of said claims shall be divided sixty per cent (60%) to Second Party and forty per cent (40%) to First Parties.

NOTICE OF MINING LOCATION.
LODE CLAIM.

all whom it may concern:

This mining claim, the name of which is the CHAMPION Mining claim, situated on lands belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Sixto Garcia undersigned on the first day of June, 1899.

The length of this claim is fifteen hundred (1500) feet and claim one thousand hundred and ninty (1490) feet, in a West direction and ten 10 feet in a East direction from the center of the discovery shaft, at which this notice is posted, lengthwise of the claim, together with 300 feet of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the East to the West.

The claim is situated and located in the Copper Mountain Mining District, in Graham County, in the Territory of Arizona, about three miles in a North west direction from Morenci and three miles South from Coronado Mines.

The surface boundaries of the claim are marked upon the ground as follows: Beginning at a monument of stones at a point in a East direction ten 10 feet from the discovery shaft, (at which this notice is posted) being in the center of the East end line of said claim; thence South 300 feet to a monument of stone being the South east corner of said claim; thence East 750 feet to a monument at the center of the South side line of said claim; thence East 750 feet to a monument being at the South west corner of said claim; thence North 300 feet to a monument at the center of the west end of said claim; thence North 300 feet to a monument being at the North west corner of said claim; thence East 750 feet to a monument of stones, being at the center of the North side line of said claim; thence East 750 feet to a monument at the W. E. corner of said claim; thence South 300 feet to the place of beginning.

County, in the Territory of Arizona, about three miles in a North west direction from Lawrence
and three miles South from Coronado Mines.
The surface boundaries of the claim are marked upon the ground as follows: Beginning at
a monument of stones at a point in a East direction ten 10 feet from the discovery shaft,
(at which this notice is posted) being in the center of the East end line of said claim;
thence South 300 feet to a monument of stone being the South east corner of said claim; thence
West 750 feet to a monument at the center of the South side line of said claim; thence
West 750 feet to a monument being at the South west corner of said claim; thence North 300
feet to a monument at the center of the west end of said claim; thence North 300 feet to a
monument being at the North west corner of said claim; thence East 750 feet to a monument
monument being at the center of the North side line of said claim; thence East 750 feet
to a monument at the N. E. corner of said claim; thence South 300 feet to the place of be-
ginning.

All done under the provisions of Chapter Six, of Title XXXII of the Revised Statutes of
the United States and of an Act of the General Assembly of Arizona, entitled "An Act
Concerning Mines", approved March 20, 1895 and amended March 2d 1899.

Dated and posted on the ground this first day of June, 1899.
