ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

Notice of Location (LODE)

NOTICE IS HEREBY GIVEN that the Kwen Lun 1 lode mining claim
was located by 1320 on July, 1960.
This claim is 1,500 feet in length along the vein or deposit of mineral-bearing rock in place and 300 feet in
width on each side of the middle of said vein or deposit at which this notice is posted. The general course of
this claim is north-south and is situated in the Roskruge Mining
District, Pima County, Arizona. This claim runs from the location monument or stake
on which the notice is posted 1,270 feet in a northerly direction to the north
center end monument or stake and 50 feet in a southerly direction from the
location monument or stake to the south center end monument or stake, and is also marked by two
corner monuments or stakes at each end of the claim, one on each side of and 300 feet from the center end
monuments or stakes, making the claim in the form of a parallelogram.
The NE corner of this claim is common to the NE corner of Sec. 25,
T. 14 S., R. 10 E., G.& S.R.M. The Kwen Lun 1 is bounded on the west
by Kwen Lun 3 and on the south by Kwen Lun 2.

Locator

Write on the above lines the locality of the claim with reference to some natural object or permanent monument whereby the claim can be identified. Give the section, township and range if known and, if possible, the direction and distance from the nearest public survey marker. It is advisable to make a sketch in the space above, showing the adjoining and overlapping claims. If this is an amendment of a location notice, give the name and book and page of recording of the claim being amended.

Notice of Location (LODE)

NOTICE IS HEREBY GIVEN that the Kwen Lun 22 lode mining claim
 was located by 1,320 on July, 19 60.
 This claim is 1,200 feet in length along the vein or deposit of mineral-bearing rock in place and 300 feet in
 width on each side of the middle of said vein or deposit at which this notice is posted. The general course of
 this claim is north-south and is situated in the Roskruge Mining
 District, Pima County, Arizona. This claim runs from the location monument or stake
 on which the notice is posted 50 feet in a northerly direction to the
 center end monument or stake and 1,270 feet in a southerly direction from the
 location monument or stake to the south center end monument or stake, and is also marked by two
 corner monuments or stakes at each end of the claim, one on each side of and 300 feet from the center end
 monuments or stakes, making the claim in the form of a parallelogram.

The SE corner of this claim is approximately 1,800 feet west of the
SE corner of Sec. 25, T. 14 S., R. 10 E., G. & S.R.M. The Kwen
Lun 22 is bounded on the east by Kwen Lun 20, on the north by Kwen
Lun 21, and on the west by Kwen Lun 24.

Locator

Write on the above lines the locality of the claim with reference to some natural object or permanent monument whereby the claim can be identified. Give the section, township and range if known and, if possible, the direction and distance from the nearest public survey marker. It is advisable to make a sketch in the space above, showing the adjoining and overlapping claims. If this is an amendment of a location notice, give the name and book and page of recording of the claim being amended.

District, Pima County, Arizona. This claim runs from the location monument or stake
on which the notice is posted 50 feet in a northerly direction to the north
center end monument or stake and 1270 feet in a southerly direction from the
location monument or stake to the south center end monument or stake, and is also marked by two
corner monuments or stakes at each end of the claim, one on each side of and 300 feet from the center end
monuments or stakes, making the claim in the form of a parallelogram.
This claim is part of a contiguous group of claims. The southwest
corner of Kwen Lun 32 is approximately 3840 feet east of the west
1/4 corner of Section 35, T-14 S, R-10 E, G&SRB&M and is bounded on
the east by Kwen Lun 26, on the west by Kwen Lun 34 and on the south
by Kwen Lun 68 and on the North by Kwen Lun 31.

This claim is 1350 feet in length along the vein or deposit of mineral-bearing rock in place and 300 feet in
width on each side of the middle of said vein or deposit at which this notice is posted. The general course of
this claim is north-south and is situated in the Roskruge Mining
District, Pima County, Arizona. This claim runs from the location monument or stake
on which the notice is posted 50 feet in a southerly direction to the south
center end monument or stake and 1270 feet in a northerly direction from the
location monument or stake to the north center end monument or stake, and is also marked by two
corner monuments or stakes at each end of the claim, one on each side of and 300 feet from the center end
monuments or stakes, making the claim in the form of a parallelogram.
**This claim is part of a contiguous group of claims. The northwest
corner of Kwen Lun 47 is approximately 960 feet west of the NE
corner of Section 34, T 14 S, R 10 E, G&SRB&M and is bounded on the
east by Kwen Lun 45, on the west by Kwen Lun 49 and on the south
by Kwen Lun 48.**
