#### **ACCESS STATEMENT**

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

#### **CONSTRAINTS STATEMENT**

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

#### **QUALITY STATEMENT**

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

### Notice of Mining Location LODE CLAIM

TO ALL WHOM IT MAY CONCERN:

This Mining Claim, the name of which is the Mountain View No. 1 Mining Claim, situate on land belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by Joe M. Escapule and Joe J. Escapule citizens of the United States

(Locators must insert either "A CITIZEN OF THE UNITED STATES," or "WHO HAS DECLARED HIS INTENTION TO BECOME A CITIZEN OF THE UNITED STATES.")  
the undersigned, on the 5th day of August, 1967

The length of this claim is 1500 feet and we claim 760 feet in a Southerly direction and 740 feet in a Northerly direction from the center of the discovery point, at which this notice is posted, lengthwise of the claim together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the North to the South.

The claim is situated and located in the Lombstone Mining District, in Cochise County in the State of Arizona, about 2,000 feet

in a Northerly direction from the State of Mine Patented Mining Claim and borders the Free Coinage Patented Mining Claims on the west side and joins up against School Section 16 Twp. 20 Range 22 East on the South and borders the Mountain View Mining Claims No. 2 on the East side line

The surface boundaries of the claim are marked upon the ground as follows:

Beginning at a stone monument with a wooden post

at a point in a Southerly direction 760 feet from the discovery point (at which this notice is posted), being in the center of the South

and line of said claim; thence West 300 feet to a Stone monument with a wooden post, being the South West corner of said claim; thence North 1500 feet to a Stone monument with a wooden post being at the North West corner of said claim; thence East 300 feet to a Stone monument with a wooden post at the center of the North end of this claim; thence East 300 feet to a Stone monument with a wooden post, being at the North East corner of said claim; thence South 1500 feet to a Stone monument with a wooden post at the South East corner of said claim; thence West 300 feet to the place of beginning.

Dated and posted on the grounds this 5th day of August, 1967
