ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

Notice of Mining Location

LODE CLAIM

TO ALL WHOM IT MAY CONCERN:

This Mining Claim, the name of which is the Apache #1 Mining Claim, situate on land belonging to the United States of America, and in which there are valuable mineral deposits, was entered upon and located for the purpose of exploration and purchase by C. A. Cosgrove, Trustee for certain citizens of the United States.

(LOCATOR MUST INSERT EITHER "A CITIZEN OF THE UNITED STATES," OR "WHO HAS DECLARED HIS INTENTION TO BECOME A CITIZEN OF THE UNITED STATES.")
the undersigned, on the 29th day of May, 1969

The length of this claim is 1500 feet and 2 claim 1500 feet in a Northerly direction and zero feet in a Southerly direction from the center of the discovery point, at which this notice is posted, lengthwise of the claim together with 300 feet in width of the surface grounds, on each side of the center of said claim. The general course of the lode deposit and premises is from the South to the north

The claim is situated and located in the Tombstone Mining District, in Cochise County in the State of Arizona, about 2300 feet in a Southeasterly direction from the Northwest Corner of Section 31, T20S, R22E. It is contiguous and west of Apache #3 but excludes that portion of the patented claim "Kat Carson" which intrudes on its boundaries.
