James Doyle Sell Mining Collection

### **ACCESS STATEMENT**

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

### **CONSTRAINTS STATEMENT**

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

### **QUALITY STATEMENT**

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

# ASARCO

Exploration Department  
Southwestern United States Division

November 27, 1990

Mr. Robert Hunter, Chairman  
Pacific Sentinel Gold Corporation  
1020, 800 W. Pender St.  
Vancouver, B.C. V6C, 2V6

Dear Mr. Hunter:

Please send additional information on your Golden West Property located in La Paz County, Arizona. Asarco is very interested in bulk tonnage targets in west and southwest Arizona, and your Golden West Property sounds very interesting.

Thank you for your time and consideration.

Respectfully,

Mark A. Miller  
Geologist
