SNOW Claims  
West Oatman Project

Dear Ray:

Originally we staked thirty-two (32) SNOW claims but only fourteen (14) were perfected. We also did a ground search for other claims in the area. All of this field time plus the small number of claims involved really impacts the per claim cost.

The \$235.00 per claim cost includes all labor, materials, per diem, mileage, mailing costs and filing fees at both the County and BLM levels.

I'm finding myself in a real financial crunch and would really appreciate anything you could do to speed this statement through accounting.

Gratefully yours,
