ACCESS STATEMENT

These digitized collections are accessible for purposes of education and research. We have indicated what we know about copyright and rights of privacy, publicity, or trademark. Due to the nature of archival collections, we are not always able to identify this information. We are eager to hear from any rights owners, so that we may obtain accurate information. Upon request, we will remove material from public view while we address a rights issue.

CONSTRAINTS STATEMENT

The Arizona Geological Survey does not claim to control all rights for all materials in its collection. These rights include, but are not limited to: copyright, privacy rights, and cultural protection rights. The User hereby assumes all responsibility for obtaining any rights to use the material in excess of "fair use."

The Survey makes no intellectual property claims to the products created by individual authors in the manuscript collections, except when the author deeded those rights to the Survey or when those authors were employed by the State of Arizona and created intellectual products as a function of their official duties. The Survey does maintain property rights to the physical and digital representations of the works.

QUALITY STATEMENT

The Arizona Geological Survey is not responsible for the accuracy of the records, information, or opinions that may be contained in the files. The Survey collects, catalogs, and archives data on mineral properties regardless of its views of the veracity or accuracy of those data.

RE: USM #10 & #11 claims

Mike:

Enclosed are the Notices of Location for the USM #10 & #11 lode claims. The attached map shows where the new DM's should be located. I will forward to your office hard copies along with maps that will be recorded at the County and the BLM.

You need to date and sign both notices before posting them in the field.

Sincerely,

John Mudon

RECEIVED
B.L.M. AZ STATE OFFICE

A hand-drawn map of the United States, showing the outlines of the states. The map is drawn with simple black lines on a white background. Two locations are marked with handwritten text: 'USM 10' is written in the upper right portion of the map, and 'USM 11' is written in the lower left portion. The text is written in a bold, slightly stylized font. The map also includes some faint, handwritten markings such as '30' and 'TRAFFIC'.
